

99750Q

Tile Leveling System Pliers

Provides maximum force to push wedges into clips*

- Assures tile surface alignment
- Saves finger fatigue on larger jobs

* When compared to using average finger strength

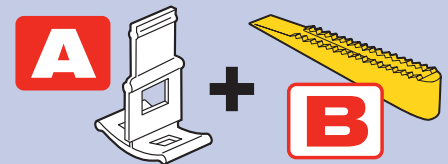

QEP Tile Leveling System eliminates uneven tiles:

- Levels
- Aligns
- Spaces
- Holds tile for an even installation

USE WITH:

QEP Tile Leveling System-
99720Q (A) Tile Leveling Clips &
99725Q (B) Tile Leveling Wedges

SOLD SEPARATELY

The 99750Q Tile Leveling System Pliers offers maximum force when pushing wedges into clips, while reducing finger fatigue. The comfort grip handle makes it easy and effortless to position clips and wedges needed for your tiling job. This innovative tool is designed with the purpose of facilitating tile floor leveling with precision and speed. Crafted to work with the QEP Tile Leveling Clips and Wedges, as well as the larger Tile Leveling Clips and Wedges (99760Q/99765Q).
