QEP® Sponge Floor Displays are now available. These floor displays are ideal for promotional opportunities and secondary placement of this best-selling item. They ship fully assembled as pictured above.

The QEP® Extra All-Purpose Heavy Duty Sponge is designed to withstand heavy duty cleanup, making it the best sponge for grout cleanup during tile installation. This sponge is absorbent, quickly washes out grout and features rounded corners to prevent digging out or marring grout. This sponge is also great for general purpose cleaning and washing cars and boats. Sponge measures 7.5" x 5.5" x 1.875".

The QEP® Extra Large Scrubbing Sponge features a two-sided design for both general purpose cleaning and scrubbing, making it ideal for grouting during tile installation. Featuring a scrub pad on one side, this sponge helps to remove grout haze, epoxy grout and other hard-to-remove material. The sponge side is also great for washing cars and boats. Scrubbing Sponge measures 7.5" x 5.25" x 2.0".
