QEP® Cork Handle Trowels have been manufactured to the highest quality standard with the professional installer in mind. These premium-grade trowels have a unique cork comfort grip handle engineered for better cushion and anti-slip grip. The extra handle-to-shank distance allows for maximum hand clearance for added comfort. With a longer rustproof, 12" stainless steel blade and longer shank with reinforced exposed additional rivets. Convenient built-in ruler makes measuring fast and easy.

*25% longer blade life, Proven by 3rd party independent testing.
