

36" Polishing Cheesecloth

76030

PROFESSIONAL GRADE
100% cotton, professional grade
24-20 fine mesh for expert results

DURABLE

Polishes and wipes away particles on tile for a shiny finish

VERSATILE

May also be used for polishing cars, motorcycles and boats

HELPS TO REMOVE GROUT HAZE AFTER INSTALLING TILE

The QEP® 36" Polishing Cheesecloth is ideal for polishing any tile surface to a bright, shiny finish. The cotton, 24-20 fine mesh helps to remove grout haze after tile installation. This cheesecloth is 45 sq. ft. and may also be used for polishing other surfaces, such as cars, motorcycles and boats.
