## STRONG

Hardened steel blade is easy to sharpen using a file or grinder

made in  
**USA**

**REVERSIBLE HEAD EASILY CONVERTS FROM 5" TO 3" WIDE, IDEAL FOR SCRAPING IN TIGHT AREAS**

The QEP® Demolition and Tear-Out Scraper and Stripper with Reversible Head efficiently removes tile, wood, laminate, stone, carpet, ice, and roofing materials. It is designed with a reversible head that easily converts from 5" to 3" wide, making it ideal for scraping in tight areas. Fitted with a hardened steel blade for superior rust resistance and durability, its ergonomic handle provides a comfortable grip to minimize fatigue.
